Operating Days and Train Times 2013

Dating from 1895, this preserved railway takes you from the village of Fairbourne, in the shadow of Snowdonia, along the beaches of Cardigan Bay and the Mawddach Estuary to the mouth of the Mawddach at Barmouth Ferry Station. Children love the journey! The engines are not too big and there is plenty to see and do. If this is your first visit we don't think it will be your last!

FAIRBOURNE STATION
